DETAILED ACTION

Allowable Subject Matter

1. Claims 12, 13, 25, 26, 30, and 31 are allowed.
2. The following is an examiner's statement of reasons for allowance:
 - With respect to claims 12 and 25, the primary reason for allowance is because the Prior Art does not disclose an apparatus with a second section having third through fifth cylindrical magnet members, respectively.
 - With respect to claim 30, the primary reason for allowance is because the Prior Art does not disclose a system with the limitations disclosed therein.
3. Therefore, based on the arguments and amendments presented by the Applicant, the Examiner acknowledges the Prior Art fails to anticipate or make obvious the Applicant's claimed invention.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
